

CITY LYCEUM ATTRACTION.

Beulah Buck Quartet to be at the City Opera House Thursday Evening. Come Highly Recommended.

The Beulah Buck Quartet, composed of four accomplished and attractive young ladies, will be the attraction at the Opera House Thursday evening as the second number of the City Lyceum course. The Beulah Buck company has been in this state for several weeks and has made quite a reputation wherever seen. The following is in part what the advance notices have to say of these beautiful musicians:

This quartet stands on an equality with the leading companies in America. With natural fitness, thorough musical education and experience in public appearance, its members will sustain the reputation of this bureau for presenting only attractions whose special talent entitles them to public recognition. Each member is a capable soloist, and their ensemble work enables them to give a delightfully varied program. Their sweet, mellow voices "blend like a perfect instrument;" their music possesses a wealth of harmony, richness of tone and volume seldom equalled by any company of its kind. Their concerts are so planned as to please all persons having refined musical tastes, whether trained musicians or not. In addition Mrs. Buck's readings captivate and charm the audience, however cosmopolitan or hypercritical.

Those who have not already bought season tickets can do so now by applying at the Palmetto Drug Store.

I wish to inform my customers, friends and the public generally, that for the next few days I will be found at my old stand cleaning up what I have saved from the fire; that I have made arrangements to take care of all work as it may come in.

I wish to publicly express my thanks to The Advertising Printing Co. for courtesies rendered and for the use of their plant. I also thank the firemen for their excellent work during the fire.

Many Friends Here.

Mr. L. O. Hires, agent of the Southern Express Company here, was called suddenly to his former home in Alendale Monday by a telegram announcing that his uncle, Mr. Quillen Hires, had died suddenly. Mr. Hires spent several weeks in Laurens last summer and while here he made many friends by his jovial disposition and cheerful manner. His death was received with regret here, both on account of himself and his nephew, Mr. L. O. Hires.

For that distressed feeling after eating, belching and nausea between meals, take Bloodline. It cures Dyspepsia by strengthening the digestive organs so that they are capable of fulfilling their functions.

EXPERT SHOTS COMING.

To Give Demonstration of Fancy Shooting in Garlinton's Meadow Monday Afternoon.

Mr. and Mrs. Adolph Topperwein, the celebrated marksmen, will give an exhibition of expert and fancy shooting in Garlinton's Meadow Monday afternoon at 2:30 o'clock. It will be a revelation to all of the wonderful possibilities of modern arms and ammunition in the hands of the greatest experts. Mr. Topperwein is the acknowledged dean of fancy and trick shots, and his many feats are of a highly sensational character. Mrs. Topperwein has no equal among women in adeptness in shooting. Ladies are especially invited to go and witness her astonishing skill with shotgun, rifle and pistol. Admission will be free to all.

Some idea of the unusual character of the exhibition given by the Topperweins will be gained from the following remarks: Adolph Topperwein, the greatest living fancy and flying target shot with a rifle, represents the Winchester Repeating Arms Co., and lives in San Antonio, Texas. His native state has long been noted for its expert shooters and this penchant for shooting among Texans, added to his natural ability, undoubtedly accounts for the wonderful skill he displays. He uses no special equipment. He shoots at oranges, apples, bits of coal or brick, walnuts, small marbles, empty cartridge shells and many other tiny objects, which are all thrown into the air and hit with either rifle or revolver.

Saved Many From Death.

W. L. Mock, of Mock, Ark., believes he has saved many lies in his 25 years of experience in the drug business. "What I always like to do," he writes, "is to recommend Dr. King's New Discovery for weak, sore lungs, hard colds, hoarseness, obstinate coughs, in gripe, croup, asthma or other bronchial affection, for I feel sure that a number of my neighbors are alive and well today because they took my advice to use it. I honestly believe its the best throat and lung medicine that's made." Easy to prove he's right. Get a trial bottle free, or regular 50c or \$1.00 bottle. Guaranteed by Laurens Drug Co., Palmetto Drug Co.

At Old Field Church.

Rankin, of the First Presbyterian church of Laurens, will preach and then hold communion service. All of the members of the church and the public generally are invited to attend these services.

"In regard to the two cents per bale, in order that the accounts may be kept without any danger of misapprehension or misplacing of funds, it is earnestly desired that you advise and direct every man who signs the pledge to remit this small sum by postal money order direct to me by mail. We desire postal money order remittance for the reason that it enables us to keep an exact record and any miscarriage in the mails can be easily traced immediately upon complaint, and, further, there is no charge for collection.
